Some football parents were
looking for a place to shoot
their son away from Sportsul.

They found
a football
robot that
could shoot
the baby.

The parents
were ready
for their
goodbyes.

Goodbye
baby.

The worst part
was that they
never named the
baby.

Aww! We
couldn't
name the
baby!

Then they shot
him away.

Introducing

FLIP-O- RAMA

Flip it, don't
rip it!

Here's how
it works

Step 1:

First place your left
hand inside the dot-
ted lines marked
"Left Hand Here".

Step 2:

Grasp the right-
hand page with
your thumb and
index finger inside
the dotted lines
marked "Right Hand
Here".

Step 3:

Now quickly flip the
right-hand page back
and fourth until the
picture appears to
be animated.

(for extra fun, try adding
your own sound effects)

Remember, flip only page 6. Be sure you can see the picture on page 6 and the one on page 8 while you flip.

(don't forget to add your own sound effects)
